

# 10 reasons to work for Sycor

## Pointing the way

Our employees create our success – and that of our customers!  
This is why **employee orientation** matters to us.

## Supportive

Whether newcomers, young talent, specialists or executives – we open up **career paths** for our employees.

## Formative

Flat hierarchies, regular surveys, implementing ideas on improvement: we give priority to the **integration of our employees**.

## Challenging

National and international project work, interdisciplinary and alternating international teams: we have no shortage of **interesting tasks**.

## Harmonizing

Flexible working hours, daycare, sports, and telecommuting solutions – this is our approach to the **Life-Balance**.

## Proactive

From 14 employees in 1998 to 520 in 2015. We grow steadily, and as a **forward-looking company** we have many plans.

## Integrative

Applied values, trusting and respectful relationships – our shared day-to-day experience ensures a **positive working environment**.

## Informative

We exchange information with our employees continuously and in real time. **Open communications** in both directions create trust.

## Complemental

Gym membership across the country, sports, pension fund, inexpensive massages, and endless coffee. We also offer **additional benefits**.

## Exciting

Locations and projects spanning the globe, new deployment opportunities all the time: and we offer **attractive jobs**.
